Cells with this symbol *may* contain the marked ingredient.

Items that contain our beef base contain wheat, MSG, and soy. Those items have been marked as containing these ingredients on the chart. We have chosen to declare its inclusion for those who want to avoid beef based ingredients and to make it clear that some items that may not traditionally include wheat, soy and/or MSG contain those ingredients because of our beef base.

Items that contain our chicken base contain wheat and soy. Those items have been marked as containing these ingredients on the chart. We have chosen to declare its inclusion for those who want to avoid chicken based ingredients and to make it clear that some items that may not traditionally include wheat and/or soy contain those ingredients because of our chicken base.

Our pesto does not contain tree nuts.

DISCLAIMER

Be aware that although we do our best to prevent cross contamination, we cannot guarantee 100% prevention. The range of tolerance or reactions to the presence of food allergens varies greatly from person to person. Decisions on the amount of precautions you should take or risks you may expose yourself to, are always best made by you in consultation with your physician.
